The analytical methods presented in this data sheet have been researched and developed by VICAM to be used exclusively with Vertu products. These methods have been validated in the VICAM laboratories to perform to the specifications indicated in the Vertu procedures. The user assumes all risk in using Vertu procedures and products. VICAM makes no warranty of any kind, expressed or implied, other than that Vertu products conform to Waters' printed specification and quality control standards. Waters will, at its option, repair or replace any product, or part thereof, which proves to be defective in workmanship or material. VICAM's undertaking to repair or service such products is exclusive and is in lieu of all other warranties whether written, oral, expressed, or implied, including any implied warranty of merchantability or fitness for a particular purpose. VICAM shall have no liability for anticipated or lost profits or any loss, inconvenience or damage whether direct, indirect, incidental, consequential or otherwise, to person or property, or for strict liability or negligence arising from or in connection with the use of these assay procedures or Vertu products.
